

PROGRAM WITHDRAWAL FORM

Students: To withdraw from your credit program on or after the start of your first class, please complete and submit this form to your Program Leader/Designate. **The email address used for submission must match the email address on the student record for validation.**

If the student was in good standing at the time of withdrawal and has successfully completed at least one term of study in the program they withdrew from, they may return to the program by submitting a Program Re-Admit Form within 12 months from the date of their withdrawal. Re-admission is dependent on the availability of the courses that the student needs. For more details, please refer to section 3.3 of NAIT's [Cancellation and Withdrawal Procedure](#).

For international students: Withdrawing from your program may impact your ability to meet your study permit conditions. [View study permit conditions](#).

Program Leader: Once you have reviewed and completed this form, please submit to the Records team in the Office of the Registrar.
