

English 30-2 Equivalency Test

TEST INFO:

- The test consists of **five short answer questions** based on a reading, followed by **one 5 paragraph essay**.
- The test follows the outcomes and marking rubrics for **English 30-2** specified on the [Alberta Education website](#).
- The maximum time given is **3 hours** and is completed on the computer in room **L142** on **NAIT's Main Campus**.
- You will be provided with a dictionary, thesaurus, scrap paper, and a handbook entitled *A Canadian Writer's Guide*.
- The cost of the test is **\$300.00**.
- Results will be posted on the MyNAIT Student Portal **ten business days** after the test.
- You may attempt an equivalency test only **ONCE** every 4 months.
- Test results may be used for admissions into NAIT career programs **ONLY**.

KEY POINTS FOR THE TEST:

- You will be required to read a passage (between 3 and 5 pages) prior to answering any of the questions. All questions and the essay are based on the passage.
- Each of the five short answer responses should be between one and three sentences.
- Short answer questions will be graded on your ability to accurately answer the questions using appropriate detail from the passage.
- The essay will be graded on your ability to compose a response in a thoughtful, well-organized manner, using evidence from the passage and from your own experience. You will also be assessed on your ability to write clearly and correctly.
