After your Equivalency Test

Results of this test are final. Individualized test result feedback is not provided to students.

1. Results will be posted on the MyNAIT Student Portal no later than 10 business days after the test. To access your result(s):

   a. Log into your MyNAIT Student Portal (http://www.nait.ca/mynait).

   b. Click on the **My Academics** tab on the left hand side.

   c. Click on **Grades & Transcripts**.
   d. In the **ELP, Placement & Equivalency Results** section, click on **View test results**.

2. Note that you may attempt an equivalency test only ONCE **every four (4) months**. It is **YOUR** responsibility to ensure that you have left adequate time to schedule, take and have your test graded either according to NAIT's program application deadlines, OR the deadline posted on your NAIT Portal if you have already submitted an application to a NAIT program.

3. If you do not see the results of your test after 10 business days, please email the **NAIT Assessment Centre** at assessmentcentre@nait.ca.

4. If you have questions regarding applying to NAIT or with a current application and cannot resolve these questions by checking on your MyNAIT Student Portal (http://www.nait.ca/mynait), please call **780.471.NAIT (6248)** or email asknait@nait.ca.

5. If you would like to discuss options for upgrading, please call **Academic Upgrading** at **780.471.8534** or email upgrading@nait.ca.
