PROGRAM CHOICE CHANGE FORM

NAIT supports its applicants in selecting programs that fit their education and career goals. When submitting an application through Apply Alberta, applicants can select up to two program choices with every application fee and indicate one as their first choice and one as their second choice. NAIT's Admissions team will always evaluate the first choice program first. If an applicant is offered admissions into their first choice, the second choice application will be cancelled.

PLEASE NOTE:

- This form is applicable to **Fall 2018** applications onward.
- This form cannot be used to add a new program choice or replace an existing program on an application.
