November 7, 2008

Dear Dr. Joe Varughese:

My name is Dan Thompson and I am the Coordinator of the MBA program at Thompson Rivers University (TRU) in Kamloops, British Columbia. I have reviewed your Bachelor of Technology in Technology Management and feel that this is a rigorous program that would well prepare students for admissions to the TRU MBA.

We look forward to receiving applications from your students in the future.

Yours truly

Dan Thompson
MBA Coordinator
Thompson Rivers University
