

MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to congratulate the NAIT class of 2021.

Convocation is an exciting moment to look back on what you have accomplished and look ahead to all the adventures yet to come. Your hard work, and the outstanding practical training you have received at NAIT, have prepared you to build a bright future for yourself and others. I know it's not always easy to see that path, especially these days, but I want to commend you for what you have already achieved and encourage you to keep moving forward. Brighter days lie ahead.

Alexander Graham Bell said, "The only difference between success and failure is the ability to take action." Step out boldly and take action whenever you can, even in the face of obstacles. Your industry, resilience and creativity will serve you well, and your contributions will play an important role in our province's recovery.

Congratulations again as you celebrate this milestone.

Hon Jason Kenney, Premier of Alberta
