

## Automotive Service Technician

### Module Updates for the 2020/21 ILM Development Cycle

- Maintenance Comments** – Comments from the ILM website Comments page have been addressed. For more information on which specific comments were addressed, please review the Comment statuses on the [Comments page](#).
  - Please note: some of the comments addressed are deferred maintenance comments from the TradeSecrets Comments board (no longer in use). These comments may not appear on the ILM website Comments page.
- Images and Graphics** – Some images and graphics within the module have been updated to fix errors, improve image quality and/or replace images/graphics that were no longer available for use.
- Course Outline Updates** – Module has been updated to reflect changes from an updated/revised Course Outline.

Period	Module Number(s)	New Version <sup>1</sup>	Maintenance Comments	Images and Graphics	Course Outline Updates
1	090102f	22.0	✓		
	090102g	22.0	✓		
	090102j	22.0	✓		
	090103c	22.0		✓	
	090103f	22.0	✓		
	090104c	22.0	✓		
	090105a	22.0		✓	
2	090201b	22.0	✓		
	090201d	22.0	✓

	090205e	22.0		✓	
3	090301d	22.0	✓	✓	
	090302a	22.0	✓		
	090303d	22.0	✓	✓	
	090305e	22.0	✓	✓	
4	090401i	22.0	✓		
	090401a	22.0	✓	✓	
Period	Module Number(s)	New Version <sup>1</sup>	Notes		
NEW	A090205h	22.0	Previously A090302c - Generator Service Procedures		
NEW	A090304e	22.0	Previously A090302c - Exhaust Gas Analysis		
Period	Module Number(s)	New Version <sup>1</sup>	Updated Translation		

<sup>1</sup> ILMs are updated on a module-by-module basis. This means that not all modules in a Period are updated within the same cycle, and a combination of different version numbers within a Period is normal. The most current, published version of each module will always be the version that is posted on the [Order Modules](#) page of the ILM website.
