

## Heavy Equipment Technician

### Module Updates for the 2020/21 ILM Development Cycle

- **Maintenance Comments** – Comments from the ILM website Comments page have been addressed. For more information on which specific comments were addressed, please review the Comment statuses on the [Comments page](#).
  - Please note: some of the comments addressed are deferred maintenance comments from the TradeSecrets Comments board (no longer in use). These comments may not appear on the ILM website Comments page.
- **Images and Graphics** – Some images and graphics within the module have been updated to fix errors, improve image quality and/or replace images/graphics that were no longer available for use.
- **Course Outline Updates** – Module has been updated to reflect changes from an updated/revised Course Outline.

Period	Module Number(s)	New Version <sup>1</sup>	Maintenance Comments	Images and Graphics	Course Outline Updates
1	190102c	22.0	✓	✓	
	190102d	22.0	✓	✓	
	190103b	22.0	✓	✓	
	190103i	22.0	✓	✓	
	190104b	22.0	✓		
	190105e	22.0	✓	✓	
2	190201e	22.0	✓	✓	
	190202dA	22.0	✓	✓	
	190203e	22.0	✓	✓	
	190204b	22.0	✓	✓	
3	190302dB	22.0	✓	✓	
4	190401b	22.0	✓	✓	
	190401e	22.0	✓	✓	
	190401h	22.0	✓	✓	
	190402c	22.0	✓	✓	
	190404aA	22.0	✓	✓	
	190404d	22.0	✓	✓	

<sup>1</sup> ILMs are updated on a module-by-module basis. This means that not all modules in a Period are updated within the same cycle, and a combination of different version numbers within a Period is normal. The most current, published version of each module will always be the version that is posted on the [Order Modules](#) page of the ILM website.
