# VIRTUAL
OPEN HOUSE

SATURDAY, OCTOBER 30
9AM - 4PM MDT

We've put together this guide to help you make the most of your Virtual Open House experience. We encourage you to check out how to explore Virtual Open House, our program and service booth listing, and the presentation schedule so you can plan your day accordingly.

TABLE OF CONTENTS:

NAIT
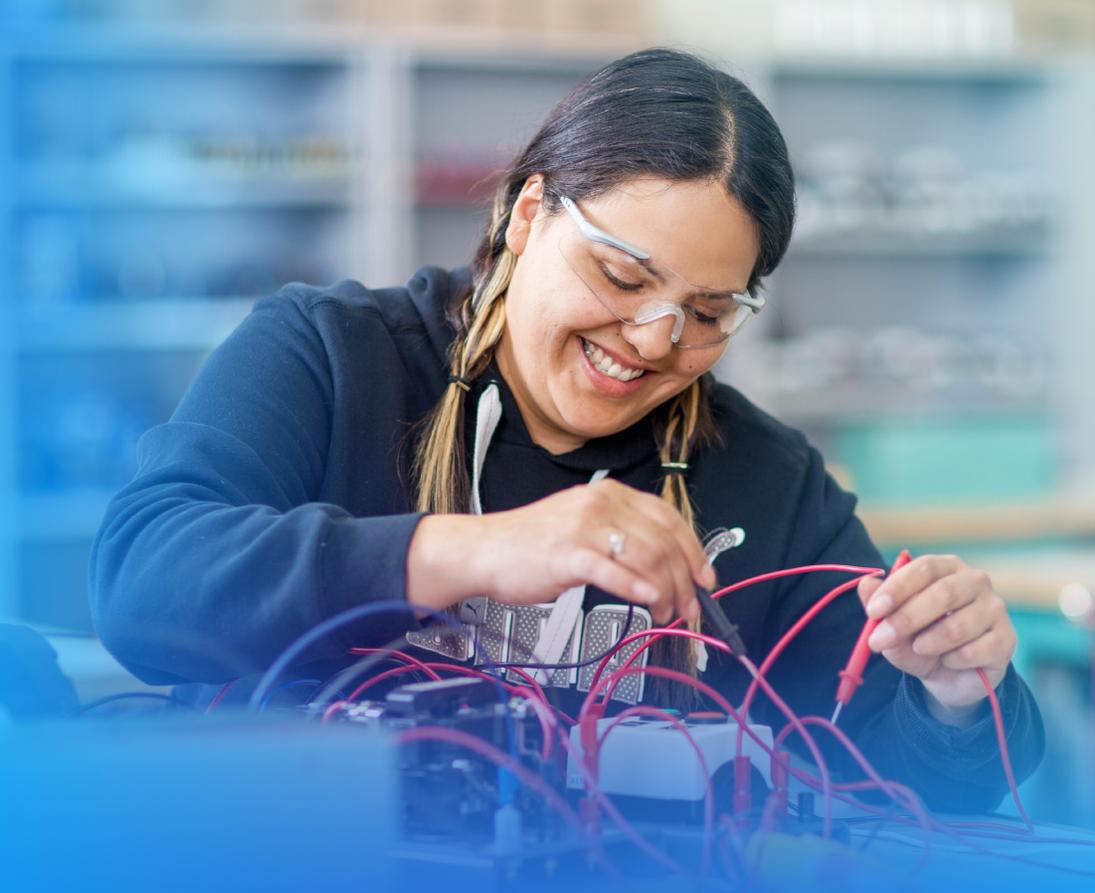

How to explore

We encourage you to watch our video on how to navigate the platform.

ACCESS THE EVENT

You'll receive an email with a link to access the event. Click on the button in the email and log in by inputting the email address you used to register. This is also listed in your registration confirmation email.

CHAT WITH OUR FABULOUS NAIT REPRESENTATIVES

In each booth, use the public chat on the right side of the page. You can also chat with NAIT representatives one-on-one by clicking on their name. Type a message to initiate a written chat. From here you can also start a one-on-one video call.

Tip: NAIT representatives will appear as green if they are active and able to chat with you.

VISIT OUR PROGRAM AND SERVICE BOOTHS

To visit our program booths, enter the **Program Showcase** using the navigation panel along the left side of the page. To visit our service and support booths, enter the **Student Services & Supports** area using the navigation panel along the left side of the page.

Reference the program booth listing on **page 3** and the support and service booth listing on **page 4** to determine which booths you'd like to visit to learn more.

Be sure to watch videos and download and save resources at each booth.

ATTEND OUR PRESENTATIONS

Enter the **Auditorium** using the navigation tab along the left side of the page to attend presentations. We recommend you look at the schedule below (**page 5**) to determine which presentations you'd like to attend and which topics you'd like to learn more about.

By clicking on the plus sign, you are able to add sessions into your personal schedule. Use the filter to search your personal schedule or to see sessions that are Live Now.

During each presentation you can ask questions to NAIT representatives in the public chat on the right side of the page.

VISIT OUR INFO BOOTHS AND GET HELP

If you need help navigating the event, visit the **Help and How to Navigate Open House** tab using the navigation panel along the left side of the page.

If you have questions or want more information about NAIT, we invite you to visit one of our Information Booths located in the Program Showcase area and Student Supports & Services area which can be found along the left side of the page.

Looking for access to tech support? Chat with our tech experts by clicking on the chat icon on the bottom left of the page or email **helpline@nait.ca**.

COMPETE IN OUR OOK SCAVENGER HUNT!

Find one-word codes in select Program Showcase booths and Student Support & Services booths (hint: look in the booth descriptions). You can also find one-word codes when you participate in any of our live presentations in the Auditorium. Once you find the codes, enter them and gain points by clicking on **Gamification** on the left side of the navigation panel.

All participants who get over 100 points will automatically be entered into a draw for **one of three NAIT PRIZE PACKS!**

See full contest details.

We are excited to show you how NAIT can help you be future-ready!

Don't forget to take our **virtual campus tour**, check out our **digital viewbook** and explore **international resources**.
