Daytime and Evening Classes

FALL Term Delivery mode:

Classes consist of instructors and students logging in at specified times and on specific days. Students are expected to attend every scheduled class (via live virtual classroom) unless otherwise noted by the instructor. Classes are 4-5 days per week. Students will be handing in assignments, writing exams, on specific dates and times (via live virtual classroom). Lessons may or may not be recorded, as students are expected to be in class as noted on their schedule. Students will be writing a final exam in each course. Students start and end the courses, on the dates as indicated in the blue box below the Term.

WINTER Term & SPRING Term DELIVERY mode have not been determined as of yet.

Asynchronous /Self-Guided Classes

These courses consist of students studying independently and self-guided, from a complete set of notes. Students will be supported by the instructor via email communications and weekly virtual tutorial time for explanation of course material. Students only log into virtual sessions, if they feel they require tutorial help. Students start and end the courses, on the dates as indicated in the blue box below the Term.
