Testimonials

John Krogh

"John was a fantastic instructor because of his obvious vast experience"

"I tried, but I couldn't stump the instructor"

"John is extremely knowledgeable and has an excellent way of communicating messages and information"

"John's personal experiences as a practitioner and BRM consultant added tremendous value to the course"

"Great class, enjoyed the interaction with other classmates"

"The course really highlighted strategies and concepts in which I can apply in my role"

"Excellent, knowledgeable instructor"

"Good conversation and challenging. Excellent and engaging. Very informative and useful"

"The class was far more informational and enlightening than I anticipated. I usually get bored in classes but found this one highly engaging and interesting."

"This was a great course and the instructor was very knowledgeable and excellent in providing the right level of information and keeping us very interested in the subject"

"Thank you very much for the experience. John was a super communicator and skilled instructor and I enjoyed his presentation greatly"

"Great course. Thanks!"

"John certainly knows his material and was able to take what appeared to me to be fairly dry material and make it interesting"

"Best course I have ever taken, and I have been in IT for 27 years. Our leadership needs to take this course"

"I learned so much more than theory, I really feel equipped with new tools that will directly help me in my job"

"Great stories with matching experience"

"This should be mandatory in our industry"

"John did a phenomenal job reviewing the course material and tying the objectives to real world experiences and situations."

"John was able to field questions from very different industries and provide responses as a coach and leader rather than a strictly hypothetical manner"
