

## Emergency Event Instruction

### Emergency Event Title

**Fire**

### Situation

In the event of an evacuation, such as a fire or events that may lead to an evacuation, follow these instructions to safely arrive at the designated meeting/muster point.

**NOTE:** Unless there is a further verbal direction from the notification system (e.g., Voice command to Lockdown), the default emergency event is to evacuate.

### Instructions/Actions

#### In the event of a fire or alarm:

- **Sound the fire alarm:** In the event of a fire, pull the nearest manual fire alarm pull station if it has not yet been pulled.
- **Personal Items:** Prior to evacuating, take personal items that are in direct reach of you—keys, phone, purse, jacket. Do not take beverages that may spill and cause a slipping hazard for others.
- **Close doors,** but do not lock them.
- **Evacuate:** Leave the area through the nearest safe exit, as directed by NAIT employees or signage.
- **Follow the designated Emergency Warden's directions during an alarm activation. They are knowledgeable and trained to support a safe evacuation of the NAIT community.**
  - Use evacuation routes
  - If there are any issues evacuating your area, notify Emergency Wardens, onsite emergency services or 911.
- **Gather at the emergency meeting/muster point:**
  - Use the [NAIT interactive map](#) to locate your building's meeting point(s).
  - Do not return to the building or area until emergency services or NAIT Alert give the 'All Clear.'

**If you hear or witness any kind of activity that may be a risk to the NAIT Community, call NAIT Protective Services (NPS) at 780.471.7477.**
