IMPORTANT INFORMATION

- Third party sponsors must adhere to NAIT policies with respect to payment deadlines, late payment penalties, installment charges, and withdrawals.
- NAIT will process tuition and/or student fees directly from the sponsor. It is important that both the student and sponsor understand what steps must be taken in order to ensure the fees are paid accordingly.
- Third party sponsors have 30 days to make payment from the invoice date.
- Sponsorships cannot be revoked after classes have started OR after payment has been made.
- Any charges resulting in class changes after the 12% deadline are the responsibility of the sponsor.
- NAIT is not responsible for monitoring or reporting the academic progress of sponsored students. Privacy legislation does not permit NAIT to disclose the student's personal information to the sponsor, without the student's written consent.
- A student who is receiving sponsorship that covers books and supplies needs to have a *shop AT NAIT* sponsorship account set up (see section D). The account will have a defined maximum amount, which can be used to purchase learning materials within pre-approved categories. It is the student's responsibility to clarify with their sponsor regarding which items are authorized for purchase using the sponsorship account.
- A student who is sponsored for books and supplies using *shop AT NAIT's* sponsorship form must purchase their supplies in person at a *shop AT NAIT* location and produce their student ID. **If you are sponsoring a distance learning student who will not be able to physically purchase their supplies in store, please email mailorders@nait.ca for directions on distance learning sponsorship and shipping.**
