

We are currently accepting applications for qualified individuals for work in areas across western Canada as well as north into the Yukon and Territories.

**Please note the required qualifications in this posting!**

Chain Saw Technicians and Crew Leaders

Web Site: [www.acevegetation.com](http://www.acevegetation.com)

Give your career the start it deserves with ACE Vegetation Service

We are currently hiring individuals with chain saw certifications and crew leaders for our brushing projects. Your certification **MUST** be current and certified to fall a tree while applying the necessary safety standards for both yourself and everyone on the crew. We are seeking individuals with a minimum 6 months experience.

This is contract-based work.

Qualifications:

- Certified chain saw tree faller
- Be 18 years of age or older
- High school or equivalent
- Have strong written and communication skills
- Have a great attitude and be a team player
- Quality customer contact and public relations
- Be in good health, bond-able and energetic
- Be willing to work outdoors for long hours with overtime
- You must pass a drug and alcohol test
- A valid class 5 driver's license; class 1 and 3 licenses are a benefit. A clean drivers abstract is required prior to employment.
- Applicant **MUST** have standard First Aid Level C training, H2S Alive, CSTS and other courses as required during employment
- The ability to walk in the outdoors through brush and hillsides, bending, reaching, and lifting up to 50 lbs.
- A pesticide applicator license is a strong asset

Accommodations and meal allowances are provided while working away from home base. ACE offers competitive wages with opportunities to work overtime when required.

If you meet these qualifications then please apply today by emailing your resume to [pscherback@acevegetation.com](mailto:pscherback@acevegetation.com)

ACE is a leading western vegetation control company with over 41 years experience. We are proud of our reputation as a professional, resourceful and service orientated company. Our safety program is considered one of the best in the industry. In addition to spray services, we also provide mulching, mowing, reclamation and consulting services to the Utility, Oil and Gas and Pipeline sectors. We look forward to hearing from you.
