June 2024

“Be proud of your accomplishments as you become the newest class to join more than 219,000 alumni.”

On behalf of NAIT's Alumni Association, it's my honour to welcome the class of 2024 to the alumni community. Congratulations on reaching this important milestone in your educational journey. Be proud of your accomplishments as you become the newest class to join more than 219,000 alumni who are making an impact on our province and around the world.

As you set out in your careers, I hope you take the time to remember how far you've come since that first day of class. Take the lessons you gained here at NAIT and pursue your purpose and unlimited potential. Your education has equipped you with hands-on education and in-demand skills to be confident, be bold, and make an impact in your industries and communities.

Wherever life takes you, stay connected with NAIT and your fellow alumni. Take advantage of special benefits, services and events available to you, as a valuable member of the alumni community. There will also be many opportunities to get involved by volunteering and networking – which will help you grow both personally and professionally. You can learn more at nait.ca/alumni.

Once again, congratulations. I wish you all the best in your career journey ahead, and I hope to see you soon at a future NAIT alumni event.

And remember, although you were a student for a short time, you are an Ook for a lifetime.
