

Message from His Worship Mayor Amarjeet Sohi

On behalf of City Council and the people of Edmonton, I'd like to congratulate NAIT's graduating class of 2024!

As graduates from one of Canada's leading polytechnics, you are now equipped to join the workforce with valuable applied research, knowledge and technical skills.

Edmonton is an exceptional place to build a life. We're one of Canada's youngest and fastest growing cities that values quality of life, community safety and a welcoming spirit that embraces new people and new ideas. I'm thrilled that we'll soon have so many skilled and talented people to help us build a better city where we can all reach our full potential.

Graduation is a wholesome time filled with many emotions. As you cross the stage and celebrate your accomplishments today, I hope you will look toward the future with confidence, enthusiasm and hope. And wherever your career takes you, I wish you the best of luck.

Congratulations!

A. Sohi
