

OFFICE OF THE PRESIDENT AND CEO

June 2024

Congratulations to the Class of 2024! Your commitment and efforts have prepared you to embark on a new chapter in your life. NAIT has given you a strong foundation and prepared you for a meaningful career ahead. The hands-on skills you have gained through your transformative polytechnic education will open many new opportunities for you.

Remember, you are now part of the NAIT network and connected to fellow alumni and industry partners. I encourage you to reach out for advice or support — you never know where conversations may lead. Right now, though, is a time for celebration. We are all celebrating with you, and I hope you feel immensely proud of your accomplishments.

Education is a life-changing journey and you have truly made the most of it. On behalf of NAIT's vibrant community, congratulations.

Laura Jo Gunter
President and CEO
Northern Alberta Institute of Technology
