

ALBERTA  
ADVANCED EDUCATION

*Office of the Minister  
MLA, Calgary-North West*

## **Message from Rajan Sawhney Minister of Advanced Education**

On behalf of Premier Smith and Alberta's government, congratulations to the 2024 graduating class of NAIT.

For some, this may be the end of your journey in formal education and the beginning of your career. For others, you may be continuing in your academic journey. Yet for each of you, this is a tremendous milestone that you will look back on as the foundation for new opportunities.

NAIT graduates provide valuable energy, skills and vision that directly contribute to Alberta's success. You are positioned to help strengthen our economy by bringing your knowledge, experience, and ideas to the workforce. The achievements that we are celebrating today will contribute to the role you play in the future of Alberta and the world.

Alberta's government recognizes the important role NAIT plays in the growth of our economy, solving workforce shortages, and supporting opportunities for students like you to begin rewarding careers. That's why we have made targeted investments that will create more apprenticeship seats and contribute to the development of the Advanced Skills Centre.

Today is a celebration of all you've accomplished. I am honoured to express my heartfelt congratulations and hope that you continue to pursue your dreams as you grow into the next chapter of your life.

Congratulations.

A handwritten signature in blue ink, reading "R. Sawhney", with a horizontal line underneath.

The Honourable Rajan Sawhney, ECA  
Minister of Advanced Education
