

MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to send greetings to the 2024 graduates of the Northern Alberta Institute of Technology.

Technology and innovation are the keys to a brighter future for all Albertans. We need talented workers like you, trained and ready to go, to help build our growing province. You have demonstrated the hard work and commitment necessary to reach your goals, and NAIT has provided you with the skills you will need to move forward. Now is your chance to go out and make your mark. I know you will play an important role in your communities and in our province's economy, and I can't wait to see what you will accomplish.

As you celebrate with friends and family, and get ready to take on your next adventure, I hope you will reflect with pride on your time as a student. This is a remarkable achievement, and I wish you the very best for continued success.

Congratulations!

A handwritten signature in black ink, reading "Danielle Smith".

Honourable Danielle Smith, Premier of Alberta
