Dear Graduating Class of 2024,

As Member of Parliament for Edmonton Centre, and on behalf of the Government of Canada, congratulations on your graduation from the Northern Alberta Institute of Technology.

Today as we celebrate your success, it is a time to acknowledge what can be achieved with perseverance and dedication. Despite the long nights of cramming, back-to-back exams, and endless assignments, you have worked tirelessly to reach your goals. I applaud you for your efforts, and the countless hours of hard work you've committed to your studies.

As you turn the page on this chapter of your life, I encourage you to thank your friends, family, and loved ones who supported you along the way. Moving forward, equipped with the toolbox of knowledge and skills from your time at NAIT, you are well-prepared to embrace the opportunities and challenges that lie ahead with confidence and enthusiasm.

You are part of the next generation of builders and innovators entering the workforce, I can't wait to see what you will accomplish as you help build a stronger and more prosperous Canada.

Congratulations Class of 2024!
