When to apply for a Post-Graduation Work Permit

Students can apply for a Post-Graduation Work Permit (PGWP) after receiving their Completion of Studies Letter. This letter is issued by NAIT's Office of the Registrar approximately 4-6 weeks after you complete your program. **You do not need to request this letter**, it will be issued automatically after the Office of the Registrar has reviewed and confirmed your program completion, and the completion letter will be uploaded in the "eLetters" folder in your MyNAIT Portal.

After receiving the completion letter, students have **up to 180 days** to submit their PGWP application to IRCC. However, please note the following:

- Students who are applying for a PGWP while inside Canada must have valid temporary status, either as a student or as a visitor.
 - Your status as a student will remain valid for **90 days, or until the expiry date of your Study Permit, whichever comes first**.
 - If your Study Permit will expire before you can apply for a PGWP, you have the option to apply for a Visitor Record, or leave Canada.
- If your Study Permit expires and you have not changed your status to a visitor, you will have **up to 90 days** to apply for a PGWP and restore your status as a student.
- Students who apply for a PGWP from outside of Canada must apply within 180 days of completing their program.

How to Create an IRCC account

8. Once you finish checking your answers, IRCC will give you some tips for making a successful application online. Please read them carefully as many problems can be avoided by following these tips.

Submitting your application

On the screen, you will be asked to upload the documents for your application. Please do not use your browser's navigation buttons, "Back" and "Forward", as they will not work properly within this application.

You must be logged into your own account to submit an application. You cannot use another person's account.

✓ Step 1: Use your account

If you select the exit button, your information will be saved and you will return to your account home page.

✓ Step 2: Save your application

You can continue your application at any time by logging into your account and selecting the e-Application link under the In-Progress section.

Please note that you have 60 days to submit your online application. The number of days remaining to submit your application appears in your account home page. If your application is not submitted within 60 days, it will automatically be deleted.

✓ Step 3: Upload your documents

Here are some guidelines for your documents:

- Your form(s) and document(s) must be in an electronic format.
- You do not need to sign your application form by hand if you submit your application form online. You will be asked to provide a digital signature once you are ready to transmit your documents.
- One file will be allowed per document type. For example, if you are asked to provide multiple pages of your passport, you must scan and save all pages as one file.
- You will be required to upload every requested form and document. You will not be able to proceed to the next steps until you upload every form/document.
- A "help" feature provides you with more information about each form/document. The help text will appear below the list of documents.
- The maximum size for each file is 4 MB (four megabytes). We accept these file formats:
 - PDF (Portable Document)
 - JPG, TIFF, or PNG (Image)
 - DOC or DOCX (Microsoft Word Document).

If your file is bigger than 4 MB, you should reduce the size. Here are some tips for making reducing your file size.

PDF format

- Recreate the PDF with Adobe Distiller set to "lowest file size."
- Ensure that all images in the PDF are set to 96 DPI (dots per inch).
- Remove all unnecessary images.

JPG format

- Scan your document at a lower DPI (dots per inch).
- Remove all empty space around the image.
- Shrink the image.
- Reduce the JPG image quality.

TIFF and PNG format

- Scan your document at a lower DPI (dots per inch).
- Crop the image to remove any empty space around the image.
- Shrink the image.
- Save the file as a JPG format instead.

DOC and DOCX format

- Remove unnecessary images, formatting and macros. Save the file as a recent Word version.
- Reduce the file size of the images before they are inserted in the document.
- If it is still too large, save the file as a PDF format.

9. Finally, you will be directed to your document checklist. Not all students will have the same items on their checklists; however, all documents listed under “Application form(s)” and “Supporting Documents” are required. Please click on the blue ? symbol next to each document name to see an explanation from IRCC. We have also shared some tips below:

How to Write a Letter of Explanation

All students are **strongly encouraged** to include a Letter of Explanation (LOE) in their PGWP application. While it is not a required document, including a well-written LOE can help to reduce the risk of refusal with your application.

When writing an LOE for your PGWP application, we recommend addressing the following points:

- **Field of Study Requirement:**
 - o If you graduate from an eligible field of study, you must indicate this in your letter. Reference the CIP code for your program, which can be found on your Completion of Studies letter, and include a screenshot from IRCC's list of eligible CIP codes: [Work in Canada after you graduate: Field of study - Currently eligible CIP codes - Canada.ca](#)
 - o If you applied for your Study Permit before November 1, 2024, you are exempt from meeting the field of study requirement. You must indicate the date that you applied for your initial and/or current study permit for your program and indicate that you meet the exemption criteria. Include a screenshot from IRCC's webpage indicating the exemptions from the field of study requirements, found here: [Work in Canada after you graduate: Field of study requirement - Canada.ca](#)
 - o If you applied for a study permit extension to complete the same program of study as the study permit application made before November 1, 2024, you remain exempt from the field of study requirement. This information can be found here: [Post-graduation work permit \(PGWP\) \[R205\(c\) - C43\] – International Mobility Program - Canada.ca](#)
- **Full-time studies:**
 - o Reference your transcripts and the full-time requirements for your program, drawing the officer's attention to your full-time status each academic term.
 - o If you studied part-time in your **final academic term**, be sure to indicate this in your letter and reference IRCC's policy on their PGWP page, found here: [Work in Canada after you graduate: Who can apply - Canada.ca](#)
 - o If you studied part-time during your **scheduled break**, be sure to clarify that the Spring/Summer term is a scheduled break at NAIT. Reference IRCC's PGWP eligibility page and NAIT's academic calendar, found here: [Academic Schedule - NAIT](#)
 - o If you studied part-time during an academic term that was not your final term, you may provide an explanation of this for the officer to understand your situation. However, in this case it will be at the discretion of the officer to approve the application.
- **Change of Schools or Programs (if applicable)**
- **Authorized Leaves (if applicable)**
 - o If you took an authorized leave of absence during your studies, you must provide an explanation and the supporting documentation received from NAIT.

When writing your Letter of Explanation, keep in mind the following:

- The letter must be written in either English or French.
- Be clear and comprehensive.
- The letter should be as short and concise as possible, while still providing IRCC with the necessary and relevant information.
- Maintain a formal, polite and respectful tone in the letter. Avoid using abbreviations or slang.
- Provide screenshots, links, and supporting documents to support what you are saying in the letter.
- **It is your responsibility to ensure all information provided is accurate and truthful.**

Refer to the following sample of how you can structure your Letter of Explanation, and what information you may wish to include:

[Date]

[Your full name, as per your passport]
[Your UCI number, *if applicable*]

How to Include Family Members in your Application

As per IRCC, 'Family Members' includes spouse or common law partner or dependent children (under the age of 22), and their dependent children. You can find IRCC's definition of 'Family members' using the following link: [Glossary - Canada.ca](https://www.canada.ca/en/immigration-refugee-citizenship/services/apply-canada/glossary.html)

If your family member is currently with you in Canada, you may include them in your PGWP application to extend their status. However, to apply for an Open Work Permit for your spouse, you must be eligible to receive a PGWP longer than 16 months. Furthermore, you will need to be employed, or have a valid job offer, in any high-skilled occupations in TEER 0 or 1, or in select high-skilled occupations in TEER 2 or 3. You can review IRCC's list of eligible TEER 2 and 3 occupations here: [Open work permits for family members of foreign workers: Who can apply - Canada.ca](https://www.canada.ca/en/immigration-refugee-citizenship/services/apply-canada/open-work-permits-for-family-members-of-foreign-workers.html)

1. When completing the IRCC Eligibility Questionnaire, you will be asked if you would like to submit an application for a family member. Selecting 'Yes' will generate additional questions for each accompanying family member, starting with your spouse or common-law partner.
