

MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, congratulations to the NAIT graduating class of 2026.

It's been said that success is less about luck than it is perseverance. As students, you know a little something about digging in and pushing toward the finish line. The hard work you put in during your time at NAIT transformed your aptitude and interest into industry-ready knowledge and marketable skills. It's a remarkable achievement, and you've earned this moment of celebration with friends and loved ones.

Convocation is also a great time to think about what comes next. As our economy continues to grow and diversify, businesses and industries will need more graduates like you. NAIT's commitment to your future has been all about real-world application of learning. That same promise drives Alberta's progress, and you have the opportunity to contribute to building a prosperous province where we can all thrive. I'm excited for you and look forward to what you will accomplish.

Congratulations again and very best wishes as you embark on your next adventure!

A blue ink signature of Danielle Smith.

Honourable Danielle Smith, Premier of Alberta
