

Message from His Worship Mayor Andrew Knack

On behalf of City Council and the people of Edmonton, congratulations to NAIT's 2026 graduating class!

As you cross the stage and celebrate your hard-earned achievements, I hope you will look to the future with confidence, enthusiasm and hope. Edmonton is a great place to turn your ideas and ambitions into reality and I'm thrilled to welcome so many skilled and talented graduates to our city's workforce.

NAIT is one of Canada's leading polytechnics and its hands-on, technology-based education and applied research are essential to the productivity and prosperity of Edmonton. Graduates leave with the knowledge that will foster stronger, more vibrant communities. Wherever your career takes you, I wish you the best of luck.

I thank the staff and faculty of NAIT for helping you reach your full potential, and the friends and family here today cheering you on.

Congratulations once again, and enjoy your celebrations!
