

DEPARTMENT OF ADVANCEMENT
AND ALUMNI RELATIONS

Message from the Alumni Association Advisory Committee Chair

“Be proud of your accomplishments. Take the lessons you gained to pursue your purpose and unlimited potential.”

Congratulations to the class of 2026!

On behalf of NAIT’s Alumni Association, it’s my honour to welcome you to the alumni community. Today, you join more than 230,000 alumni who are leading, innovating, and making a difference in Alberta and around the world.

Graduation marks an important milestone. Take a moment to reflect on how far you’ve come since your first day at NAIT and the dedication, resilience, and hard work that brought you here.

Your education has equipped you with hands-on education and in-demand skills to be confident, bold, and make an impact in your industries and communities. Be proud of your accomplishments, cherish your memories of your time at NAIT, and take the lessons you gained to achieve your purpose and unlimited potential. Wherever your path leads, I hope you carry forward the lessons, connections, and experiences that have shaped your journey.

As alumni, we often say: although you were a student for a short time, you are an NAITer for a lifetime. That means, wherever life takes you, you will always be connected to NAIT. As a member of our alumni community, you have access to exclusive benefits and services, along with opportunities to stay connected, volunteer, and continue growing both personally and professionally. I encourage you to explore all that alumni membership has to offer at nait.ca/alumni.

Along with your parchment, you’ll receive an alumni pin. Wear it proudly as a symbol of everything you’ve accomplished and the community you’ll always be a part of.

Congratulations, once again and welcome to the alumni community. I wish you all the best in your career journey ahead, and I hope to see you soon at a future NAIT alumni event

Sincerely,

Justin Nand, Chair, NAIT Alumni Association Advisory Committee

Bachelor of Business Administration – Accounting, 2016

Business Administration – Finance, 2013
