

Your NAIT Starter Kit

With the many directions you can take in life, one thing is certain: choosing NAIT for your post-secondary education is a smart move. Relevant knowledge, real skills and a rewarding career are within your reach. Our hands-on, technology-based programs will help you be future-ready.

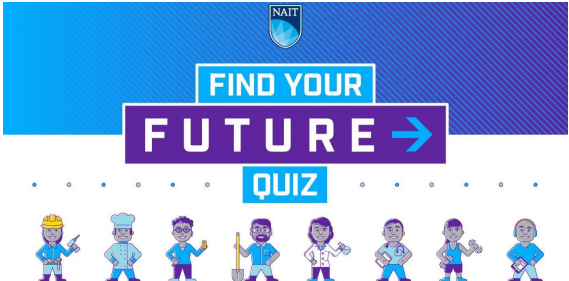

We’ve put together this Starter Kit so it’s easy for you to explore our programs, services and campus.

NAIT viewbook

Our viewbook has gone digital this year! Scroll through our easy-to-follow guide to NAIT and our 2022 program offerings.

Explore

Find your future

Find what career path fits your interests, skills and career aspirations in our new interactive quiz!

Take the quiz

Virtual campus tour

Visit our downtown NAIT campus from the comfort of your own home. Students and Campus Ambassadors will walk you through key locations and let you imagine what it’s like to learn at NAIT.

Start the tour

Upcoming events and info sessions

Attend our upcoming virtual events to speak with instructors, learn from current students and explore NAIT programs further.
